

## A Solid Connection: Aviators HOT LINE

**The Showcase stays connected with the leading resource for anything for sale in aviation.**

Once again, Aviators HOT LINE hooks up with the DeLand Showcase as a returning Sponsor. Aviators HOT LINE provides a direct connection to anything for sale in the world of aviation. If you're looking to buy or sell anything, pre-owned or new, Aviators HOT LINE lists everything including light sport aircraft, experimental, aviation properties, aviation services, and even FBOs. Search, sign up, and subscribe!

## **SWIFT Fuels Returns as Sponsor for 2018**

## Creators of the FIRST high-octane UNLEADED Avgas

Swift Fuels is a global leader in the development of high-performance unleaded aviation fuels. Plus, Swift has developed a renewable jet fuel.

Swift's fuel task force received unanimous approval from ASTM International in 2013 for the **first** high-octane UNLEADED aviation gasoline production specification in the world. Today, Swift continues to demonstrate its leadership in the aviation gasoline marketplace with high-octane aviation gasolines. Find out more at the Swift Fuels website.

## Exhibitors: Running Out of Time!

## Register NOW to be in the DeLand Showcase!

DeLand, Florida, is rapidly becoming THE national hub of the sport aviation industry, not only because of the concentration of recreational flying businesses and manufacturers in the area, but because of the many cultural things to do, see, and eat, in the area around the historic city of DeLand.

Drawing aviation enthusiasts from all over the U.S., the DeLand

Showcase will be three solid days of aviation business, fun, and festivities, matched only by the area's international dining options, cultural art, music and theater venues, unique shopping, outdoor activities, and memorable moments of night life!

Register now and plan a little "business trip" for yourself and your favorite guests. Be among the "Who's Who" in sport aviation and seize one of the exhibitor spaces still available at the annual aviation event that is entirely Focused on Flying for FUN!
